VICTA.COM.AU

EASY TO USE. EASY TO OWN.

With the largest range of Ride-On mowers in Australia, Victa®’s range of Ride-On mowers and zero turn mowers are specially designed to help you comfortably and easily mow your acreage faster! Speak to an expert today to learn which Victa model best suits your needs.

WHY CHOOSE A VICTA DEALER?

1. EXPERT SERVICE AND ADVICE
You will always be in good hands at your local Victa Dealer. Your resident dealer is your local expert for all things mower sales, parts and service.

2. TEST DRIVE
Your local dealer can arrange a test drive and provide operator and safety demonstrations.

3. HASSLE-FREE PURCHASE
At a Victa Dealer, you will be up and running in no time! Your dealer is able to assist with set-up and delivery of your new mower.

4. SERVICE SUPPORT
To maximise the performance of your Victa mower, Victa Dealers stock a huge range of genuine parts and accessories. All work is completed by factory-trained service technicians using customised tooling.

THE EASY CHOICE.

SERVICE EXPERTISE YOU CAN TRUST.

Your local Victa® Dealer employs trained and qualified Master Service Technicians. Using only genuine parts, your Victa Dealer can ensure the highest quality service, every time.

VRX

SPX™

ZTX

VRX RIDE-ON

Tried and True
Some dependable designs are ingeniously simple. The Peerless® manual transmission or Hydro-Gear® T2-HP™ hydrostatic transmission offer smooth reliable operation.

Stamped Steel Mower Deck
Stamped out of durable rolled steel and designed to create a powerful amount of airflow for the disposal of a large amount of grass.

Mulch Plug
Finely mulch your grass using the mulch plug included as standard. While the blade mulches the grass clippings, the deck design blows them back into the lawn.

Getting Started
Briggs & Stratton® Engines offer the reliability you can count on when mowing the lawn.

Catch for a Neat Finish
Feature packed Victa® VRX - Rear Catcher is the ideal mower for homeowners after a perfectly neat finish. Featuring an easy to use catcher system, your lawn is sure to be the envy of your neighbours.

QUALITY FEATURES.
AFFORDABLE PRICES.

SPX™ SERIES

STRAIGHTFORWARD DESIGN.

Step Up to High Value

All-steel construction including the bonnet, cast-iron front axle and a hydrostatic transmission are hallmarks of premium tractors - all at a value price.

Quick-Adjust Cutting Height

Easy-to-use height-of-cut controls adjust the mower deck for changing grass conditions.

Fabricated Mower Decks

The durable 42" and 48" fabricated mower decks feature welded, heavy-duty steel for non-stop mowing season-after-season. All fabricated decks come with a **limited lifetime warranty**.

Step On It

Our responsive foot pedals give you hands-free control over forward and reverse speed. The dash-mounted cruise control lets you set your speed.

Turning Perfection

With a 14" turning radius, you can spend less time mowing and more time enjoying your yard.

A Generation of Power

Briggs & Stratton Professional Series™ V-Twin OHV Engines have full-pressure lubrication and spin-on oil filters for years of trouble-free performance.

**Extended warranty available see dealer for details.

ZTX ZERO TURN

Commercially-Inspired

A fully-welded steel frame, thick-walled front axle, durable mower deck, and ball bearings in the caster spindles ensure durability and a great cut.

Dependable Power

High performance Briggs & Stratton Professional Series™ engine with ReadyStart®, making sure your zero turn mower has the power to perform year after year.

Heavy-Duty Mower Decks

A durable fabricated steel mower deck provides non-stop mowing season after season, and comes with a **limited lifetime warranty**.*
42 and 48" decks only

More Than Just a Zero Turn

Victa's first dirt-hauling, tool-toting, flower-delivering and, of course, grass-cutting zero turn mower. The integrated cargo bed* provides on-the-go versatility and convenience. Plus, the rail system is compatible with numerous third-party UTV/ATV accessories for added utility around your yard.

The Choice is Yours

The commercial-style foot-operated mower deck lift easily lifts and adjusts the mower deck between 13 height-of-cut positions from 3.8 to 11.4cm (1.5 - 4.5").

*23kg. capacity, do not overload; do not carry passengers. Available on select models. See operator's manual for details. Additional cargo bed accessories sold separately.
**Extended warranty available see dealer for details.

NEW LEVELS OF VERSATILITY.

IT'S EASY TO GET ATTACHED.

Victa® accessories take your mower to the next level by adding even more options to make mowing even easier.

Accessories

Trailer Hitch
Allows you to quickly and easily attach a trailer to your Victa Ride.
Fits VRX (Standard)

Grass Mulcher Kit
Reduce your number of clippings by finely mulching them back into the lawn.
*Fits SPX™ and ZTX
Standard on VRX*

Sun Canopy
Provides you comfortable shade while you mow.
Fits SPX™

Clean Sweep™ Twin Collector
Roomy enough for 228 litres of clippings in two easy-to-empty bags.
Fits SPX™ and ZTX

Swing Back Blade Kit
Easily convert your cutting system to swing back blades using the oval disc and blade kit
Fits 42 inch SPX™ and ZTX

Note: Attachments for prior year models and additional attachments or accessories not shown may be available. Some attachments require additional installation components (i.e. front weights for a catcher). Please see dealer for details.
