WX15

The powerful WX15 is a compact 1.5" volume pump with a 40m head that delivers a maximum capacity of 240 litres per minute.

INTRODUCTION

DIVERSE AND ADAPTABLE

Portable & versatile, the WX15 is able to handle large volumes of clean water, making it ideal for irrigation, drainage, general purpose cleaning and many other applications.

It features an economical 1.5" volume pump, with a maximum suction head of 8m and a maximum total head of 40m.

It delivers 240 litres of water per minute, ensuring that however you choose to use it, the WX15 will offer you great pressure at a very reasonable price.

EASY-STARTING

Like most Honda Power Equipment products, the WX15 starts first time, every time with Honda's famous one pull easy start system.

It's powered by Honda's gutsy GXH50 4-Stroke OHV engine and runs on unleaded fuel, so you'll never have to mix oil and petrol again.

All this makes the WX15 a hassle-free, environmentally-friendly Volume Pump with low emissions, less noise than the competition and low fuel consumption.

UNCOMPROMISING = HONDA

Honda Water Pumps offer a level of uncompromising performance to a wide variety of water transfer applications.

Designed for easy starting, priming and dependable service, used throughout the world for over 20 years, Honda water pumps have earned a reputation for unsurpassed reliability and performance.

These pumps are known for their durable construction, quality engines and easy portability; features that apply to all categories of Honda pumps.

WARRANTY

All Honda pumps come with an impressive 4 Year Domestic Warranty and 1 Year Commercial Warranty, giving you added peace of mind.

When combined with a network of over 450 authorised independent dealers around Australia, you've got some serious back-up with a Honda pump.

There's no question; if you're after a quality investment that won't let you down, the Honda WX15 is just the pump for you.
